

To whom it may concern

We had Aleix Malanet Verges working here as an intern from 17th January 2022 to 14th April 2022.

In this time Aleix was a productive member of staff. His time keeping was excellent, his attendance was also excellent. He worked as part of a multinational team where over 60% of the team were remote.

Aleix did all tasks that were asked of him and went above and beyond the call of duty many times.

Aleix was a popular member of our team and I have no hesitation in recommending him to any prospective employer.
